Vancouver Island North Zone Report

Report period January 28, 2011 to June 7, 2011

Construction volume in the Vancouver Island North Zone is a little slower and not back up to the levels of a couple of years ago. Membership numbers in our Zone are remaining steady with our total Zone membership at approximately 80 members.

We have been working towards providing a higher level of educational services to our zone members. We are doing well in that regard having held the Level 1 BOABC Legal & Code of Ethics Course in May in Campbell River and the Level 2 BOABC Legal, Regulatory System, & Bylaw Course earlier in March in Nanaimo.

Unfortunately the latest BOABC Examination sitting scheduled for May in Nanaimo was cancelled due to lack of participants. Members did however have the opportunity to register for an exam sitting in the Vancouver Island South Zone.

Our next zone meeting will be held in Nanaimo, May 18, 2011.

Respectfully submitted on behalf of Vancouver Island North Zone Members,

Colin Bollinger, RBO
Vancouver Island North Zone Director, BOABC
