## ZONE REPORT

### May, 2011 – Kootenay Zone

Most areas in our zone are reporting moderate to brisk construction activity this spring.

We had a full agenda at our March 23 zone meeting. Julia Roberts and David Kelly of SolarBC facilitated a *Solar Hot Water System Workshop and Tour for Inspectors*. It was a very informative presentation and our group had an opportunity to tour a nearby solar hot water installation.

Kim Leibel was sworn in as an RBO.

Bob Middleton our zone representative to the POABC announced his retirement and his position was replaced by Jason Ward.

Bernie Zimmer has been nominated as zone representative for the next term, and Max Hoedeman has been nominated for the alternate position. These nominations will be put forward for election at the AGM.

I am in discussion with Tim Luini, South Central Interior Zone Director, in efforts to combine some of the BOABC study sessions. We feel this will provide additional opportunities for members in remote areas to access education programs.

Several of our zone members are planning to attend the BOABC Conference and AGM in Whitehorse.
