2010 was a unique year with the south Central Zone with some area having record high permit values while others had very low values. We are all hoping that 2011 will be a busy year throughout the province.

Our zone had four zone meeting in 2010 and sworn in seven new RBO's at these meetings. Hermann Koolman was able to put on two Legal and Ethics Courses for our zone. One in Kelowna and one in Kamloops.

2011 started with three more RBO's being sworn in and a very interesting meeting with Gilbert Larocque of APEG. Hoping that we will be able to do a couple of study sessions as well this year.

I am in discussion with Bernie Zimmer, Kootenay Zone Director, in efforts to combine some of the BOABC study sessions. We feel this will provide additional opportunities for members in remote areas to access education programs.

Members are all looking forward to this years conference in Whitehorse. Looks like a lot of members will be taking extra time to see the area after the conference is over.
