

City of Powell River

Building/Plumbing Inspector

Located on the Upper Sunshine Coast, 125 km north of Vancouver, the City of Powell River is a vibrant progressive community of approx. 14,000 with access to Vancouver, Vancouver Island and Sechelt. Powell River enjoys an extensive variety of year round recreational activities and festivals, excellent schools, a modern multi-purpose recreational complex, golf courses, new hospital and an active arts community. It offers a beautiful natural environment and highly affordable housing, in particular as compared to the lower mainland. Powell River's assets include:

- Moderate year round climate;
- Potentially unlimited fresh water supply;
- Extensive oceanfront and ocean views;
- Significant base of well paid industry jobs.

This position affords broad independence on the part of the successful candidate to establish individual preferred daily working procedures and operations as well as decision-making and initiatives relating to building permitting. The City seeks an independent motivated candidate to assume inspection and BCBC administration responsibilities.

Qualifications include a combination of a technical diploma in Engineering/Civil/Building Technology or trades qualifications and Building Officials (BOABC) Level III Certification (preferred or Level II working towards achieving Level III). Candidates with an equivalent combination of training and experience may be considered.

In addition to a superb location, this CUPE position offers compensation of \$37.25 per hour (2009) and comprehensive benefits package.
