BUILDING OFFICIAL II or III

The District of Sooke is looking for a Building Official II or III to join our Building Inspection division.

Sooke is a growing community of 10,000 people located only 45 minutes from downtown Victoria. As Sooke is gateway to the rugged west coast of Vancouver Island, it also offers innumerable opportunities for outdoor adventure. Historically based on the forest and fishing industry, the municipality offers a small town feel while being nearby to the amenities of a large urban centre.

Reporting to the Manager of Operations, the Building Officials II or III are responsible for conducting building inspections and issuing building and plumbing permits.

The District of Sooke offers a competitive compensation and benefits package. This is a CUPE Local 374 position.

For more information, see the Job Descriptions on the District of Sooke website www.sooke.ca or contact the municipal office at 250-642-1634.

Please apply in confidence prior to 4:30 p.m. on Monday, March 15th, 2010, with a detailed resume, references, and cover letter to:
