Vancouver Island North Zone Report

Report period January 23, 2010 to April 25, 2010

Construction volume in the Vancouver Island North Zone is continuing to increase but is still not back up to the levels of a couple of years ago. Membership numbers in our Zone are remaining steady with our total Zone membership at approximately 80 members.

As the educational demand of our members is down we were only able to offer a joint Vancouver Island Zone Level 2 training session. I would like to thank Eric Law for organizing the training at the Town of View Royal.

Our next zoning meeting is tentatively set to be held in May in the Town of Ladysmith.

Our zone is excited to be hosting the BOABC AGM at the Nanaimo Conference Center. Members of the Conference Committee have been busy planning the event. I would like to thank the Co-chairs, Jason Kinch and Michael Mark and all of Conference Committee members for all of their hard work and volunteer hours. Having a small part in the planning has made me realize how much effort it takes to put on a BOABC Conference.

Respectfully submitted on behalf of Vancouver Island North Zone Members,

Regards,

Colin Bollinger, RBO
Vancouver Island North Zone Director, BOABC
