April 22, 2010

It has been a busy year; to date we have had two zone meetings with a total of 51 members attending. Two study sessions were held, one for level two and one for level three. Both were well received by members, which attended.

John Guenther Director of Planning of the City of Revelstoke has obtained his facilitator approval from Herman. John and I has discussed the possibilities of putting on monthly / bi-monthly zone meetings that would include study sessions on various parts of the code. These would be intended for one to two hours, but would help our members stay current with the codes.

At our last zone meeting, Paddy Moore was elected as Zone Director Alternate and I had the privilege of being elected as South Central Zones Director and we are both if elected at the conference looking forward to the ongoing challenges of the BOABC.
