

KAYAK ADVENTURE

Registration Form

Come join us on Sunday, April 25, 2010 for a 4 hour kayak adventure around the friendly waters of Newcastle Island. We will enjoy a prepared light lunch on the beach and have a chance to explore a bit of historical Newcastle Island before continuing our paddle around the island. No kayaking experience is necessary, our experienced guides will supply all the equipment and lead us through the safety and kayaking techniques required. This event is open to BOABC participants and their partners. Transport from Coast Bastion Hotel lobby at 10:00 am to Brechin Boat Ramp and back at approximately 3:00 pm will be provided.

Rate: \$58.00 includes GST, all equipment, guides, lunch and transport. If you wish to provide your own boat and transportation the rate will be \$48.00 (because of insurance and guide/participant ratio requirements only a small discount is possible).

Please confirm participation by returning this form with a cheque made out to BOABC. For further information, please contact Vicky Scheltgen at the City of Nanaimo at 1-250-755-4460 local 4229.

To equip yourself for this adventure I suggest gum boots or shoes that you don't mind getting wet, layered clothing and a light weight water proof jacket. Of course bring your camera and plan to photograph otters, eagles, seals, starfish and whatever else might appear.
