RE: BUILDING OFFICIALS' ASSOCIATION OF B.C.
55th ANNUAL CONFERENCE – NANAIMO, BRITISH COLUMBIA
The Vancouver Island Conference Centre, Nanaimo, BC
April 25th to 28th, 2010

Attached is your registration package for this year's Conference being held at the Vancouver Island Conference Centre in Nanaimo.

In past years, most Municipalities, Regional Districts and other employers have authorized the attendance of one or more Building Department representatives and staff. If yours is one who may not have, hopefully our attached two-page Conference Program Highlights and my letter addressed to Mayors, Councils and Regional District Chairpersons will assist you to obtain approval.

The Conference organizing committee team and support staff has indicated to me that the theme of this year's Conference is "*Change is all around us*".

We are pleased that the Conference/AGM is being held at the new Vancouver Island Conference Centre in Nanaimo. There is a strong technical component to the Conference so that members can earn professional development credits in the BOABC Continuing Professional Development program [CPD], which is required to maintain BOABC Certification status. Full participation at the Conference is worth 10 CPD credits.

Your Executive Committee and I look forward to seeing you at this year's Conference in Nanaimo. Please let me know if I may assist you further in obtaining approval to attend the Conference.

Yours truly,

Ron Dickinson, RBO
President, BOABC
