RE: THE BUILDING OFFICIALS' ASSOCIATION OF BRITISH COLUMBIA
55th ANNUAL CONFERENCE – NANAIMO, BRITISH COLUMBIA
The Vancouver Island Conference Centre, Nanaimo
APRIL 25th to 28th, 2010

The Association is requesting your support in sending one or more representatives from the Building Inspection, Plan Checking and related staff of your Municipality, City or Regional District to this year's Annual Conference of the Building Officials' Association of BC, to be held in Nanaimo.

Our Conference objective is to provide improved service to your clients through participation of your staff in workshops and study sessions. The focus is on topical issues relating to the interpretation and administration of the B.C. Building Code and other relevant building industry matters affecting the effective and efficient operation of Building Departments and Provincial building codes and regulations.

Successful participation in the Conference study sessions and seminars provides Continuing Professional Development [CPD] credits to members. These credits lead to mandatory professional maintenance of BOABC Certification in building regulation and code knowledge. This Certification is the recognized standard of competence for Building Officials in the Province and throughout Canada.

The Conference has a full program and I am sure that participation will be high. Thank you for your consideration and support of our initiatives to promote education, training and professional development in the Province of British Columbia.

Yours truly,

Ron Dickinson, RBO
President, BOABC
