Since our last report, dated January 4, 2010, we have held two Zone Meetings at New Westminster City Hall, one on February 24th and one on March 16, 2010.

Due to feedback the Zone Directors received from the members it was decided that these meetings would be designed to be instructional covering level 2 code issues. Charlie Hoeller and Steven J. Cote-Rolvink graciously gave up their evenings to be the presenters. The meetings were well attended with 30 and 28 members respectively running longer than most meetings. The first meeting was on the same night Canada's hockey team was playing and still all who signed up came. At the end of the meetings an evaluation sheet was filled out with overwhelming approval in the topics covered, the presenters and in the way the presentations were done.

At the last meeting those in attendance requested that more of these types of instructional meetings be held. Because of the positive response Charlie and Steven both agreed to do more.

We have scheduled two more Zone Meetings for April 8th and April 13, 2010 at New Westminster City Hall. Unfortunately due to the size of the room we were not able to accommodate all the requests. We will be looking to see if there are larger venues available.

In the Zone Meeting held on March 16, 2010 Brian MacPherson, from the City of Burnaby, was sworn in, by Frank Durante, as the Lower Mainland's newest RBO.
