<b>TITLE:</b>	<b>SEPARATE ZONES - EAST &amp; WEST KOOTENAYS</b>	<b>6.4</b>
---------------	---	------------

**DATE APPROVED:** September 23, 2006      **SIGNED:** Frankie Victor (Secretary)

**POLICY:**

The Association does not support the creation of separate east and west Kootenay zones..

**POLICY OBJECTIVE:**

To fragment this area would not be in the best interest of the Association. It is recommended that zone members consolidate their efforts to organize meetings and study sessions through the Elected Zone Director.

**POLICY JUSTIFICATION:**

The Association cannot support the additional expense that would be incurred by the creation of an additional zone and therefore additional zone director.
